

AMAZON STUDIOS PARTNERS WITH THE RENOWNED RUSSO BROTHERS' AGBO STUDIOS ON A GROUNDBREAKING GLOBAL TELEVISION FRANCHISE

SANTA MONICA, Calif., July 27, 2018 – Amazon Studios is on a quest to create a radical global storytelling disruption by teaming with the Russo Brothers' AGBO Studios on a large-scope, multi-layered international event series. As part of the collaboration, the Russo Brothers will have the creative freedom to oversee an ambitious concept meant to captivate the Prime Video audience and redefine the boundaries of storytelling.

While the creative is under wraps, the origin mothership series will function as a fire-starter to ignite the creation of multiple original local language and local production series. All of the local series are meant to enhance the entire entertainment experience and will be available for the viewer to deep dive into an imagined layered world.

"The Russo Brothers have impacted the pop culture barometer of creative excellence with their vision for both *Avengers: Infinity War* and *Captain America: Civil War*," said Jennifer Salke, Head of Amazon Studios. "They brought a level of scale and execution to those films that has raised the bar for audiences everywhere and we can't wait for them to do the same for us on this project for our Amazon Prime Customer. We are thrilled to be working with Joe and Anthony Russo and their AGBO Studios as they build this incredible, multifaceted, international franchise."

About Amazon Studios

Amazon Studios creates original television series which premiere exclusively on Amazon Prime Video which is available globally in over 200 countries and territories. This year, Prime Video will premiere a number of original series, including the highly anticipated *Tom Clancy's Jack Ryan* starring John Krasinski, *Homecoming* from creator Sam Esmail and starring Julia Roberts and Bobby Cannavale, *The Romanoffs* from nine-time Emmy Award winner Matthew Weiner, and a third season of *The Man in the High Castle*.

About AGBO
